2019 PGUSD Calendar: Tide Pools

The first annual Pacific Grove Unified School District calendar was created in collaboration with Hopkin's Marine Station of Stanford University. This year's calendar theme is Tide Pools! Here in Monterey Bay, we are lucky enough to have some of the most well-known tide pools right in our backyard. Tide pools are extremely important to the central California coastline. Tide pools provide food and shelter to many fish and invertebrate species, such as: sea urchins, limpets, sea stars, snails, crabs, lobsters, sea slugs, sea anemones, chitons, sea cucumbers, mussels, and many more!

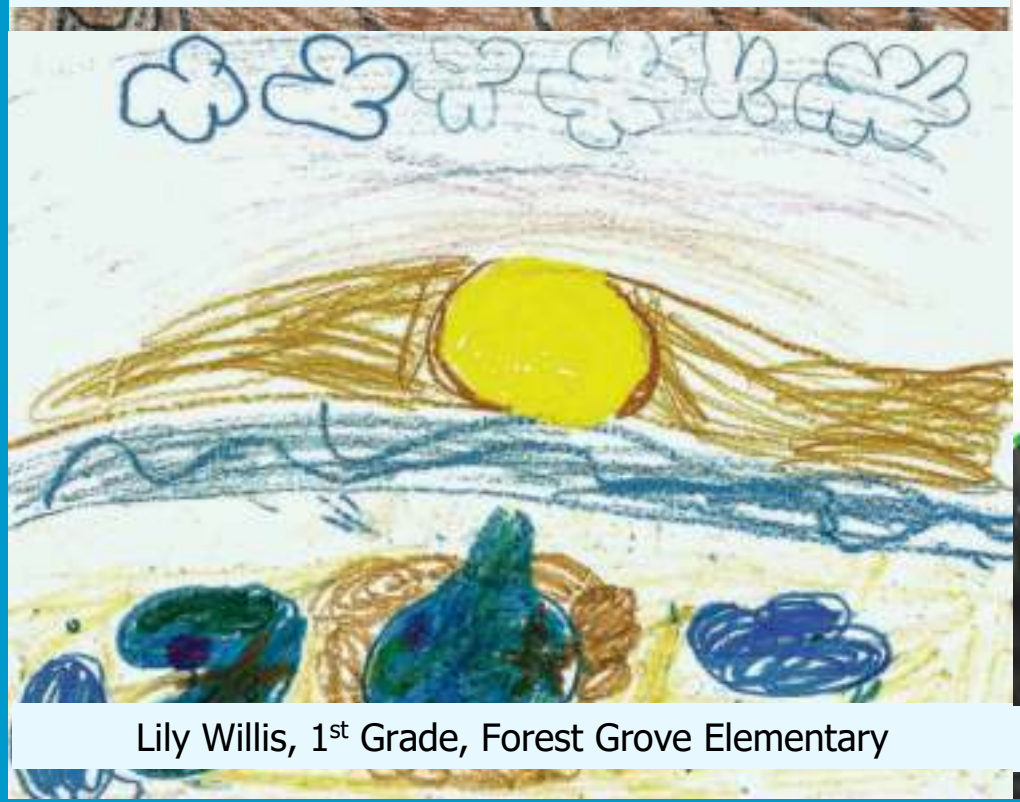
These sea creatures have developed many adaptations to survive in the rough tide pool environment, where they experience a wide range of temperatures throughout the day and are often completely exposed to the air.

See if you can identify the tide pool species and their adaptations in each month of the calendar!

Eliza Faile, Kindergarten, Forest Grove Elementary

Morgan Henderson, TK, Forest Grove Elementary

Sebastian Westmoreland, 1st Grade, Forest Grove Elementary



Lily Willis, 1st Grade, Forest Grove Elementary

Samia Ducker, 1st Grade, Robert Down Elementary
